## Tuition Payment Policy

Tuition is billed monthly over a ten month period. The first payment is due in August at the beginning of the school year. Payments continue monthly through May, when the school year concludes.

Tuition is billed at the first of each month. Payment is considered late if not received by the 15<sup>th</sup> of the month.

However, if a family requests special arrangements, either on an on-going basis or to accommodate a one-time only situation, this can normally be worked out. It is the family's responsibility to contact the school board treasurer or chairperson to make these special arrangements.

Thank you for your cooperation in this matter. Please feel free to contact us if you have any questions regarding tuition payments.
